

Academy of Breastfeeding Medicine

The [Academy of Breastfeeding Medicine](#) will be reaching out to the Spanish-speaking community to promote the benefits of breastfeeding. HITN-TV, the nation's largest holder of educational broadband service for the Hispanic population reaching 30 million households, will broadcast a program about breastfeeding issues featuring *Academy* Board Member Ana M. Parrilla-Rodriguez, MD, University of Puerto Rico, live to the US, Mexico, and Canada on August 4th, from 12-1 pm, Eastern Time. Following the broadcast, the tape will be available on the *Academy of Breastfeeding Medicine's* website.

This broadcast is particularly timely in light of **World Breastfeeding Week** (August 1 – 7, 2009). Also to celebrate, [Breastfeeding Medicine](#), the peer-reviewed official journal of the *Academy*, will be available free online for the month of August.
